

Dear Parent / Carer

Thank you for your support in the first few weeks of the new school year and hope that you all had a peaceful summer break.

We are all ready for another successful year at Larches High School. Our new Design Technology Room is almost ready which has enabled us to extend our curriculum. This year we are going to focus on supporting our pupils with their Food Technology courses by encouraging them to cook at home. To do this we will be sending recipe cards and ingredients home and would be grateful if you would support us with this by taking photographs of anything they prepare. If for any reason you do not want to be involved with this or have any dietary requirements, please do not hesitate to contact me.

Dates for your diary this year:
