Larches High centre assessed grading process for Summer 2020 exams

- Teachers know their students well and are able to assess grades with a high degree of accuracy.
- The centre grades submitted to the exam boards were agreed by Larches following an internal quality assurance process and are not the sole responsibility of any individual teacher.
- The standardisation model developed by Ofqual and the awarding organisations is statistical and may not reflect the grades submitted by the centre.
- The standardisation process applied by the exam boards ensure grades awarded this year are consistent with those awarded to other cohorts in other years.
- This was the fairest possible approach available under extreme circumstances. It is a rigorous process which means that grades awarded this year are as valid as in any other year.
- This will allow pupils to progress to the next stage of their lives in the normal way.
