Yellow = sustained Green = improved

- %A*-C (9-4) in English Lang has tripled and %A* - G (9-1) has improved.
- %A*-C (9-4) in English Lit has almost doubled and %A* - G (9-1) has sustained at 100%. The number of students entered for Eng Lit has more than doubled to 70% of the Language cohort.
- %A* - C (9-4) in Maths has more than doubled compared to 2019. % A* - G (9-1) has increased significantly.
- %A* - C (9-4) in Dual Award Science has doubled and % A* - G (9-1) has increased to 100%.
- Double the number of students were entered for the GCSE PE short course with 3 students gaining grade 4+. Art and Home cooking results are broadly in line with previous years.
- Functional skills English results have doubled at Level 2. The % of Level 1 passes has dropped from 100% but 5X the number of students were entered for the qualification compared to last year.

Functional skills Maths results have sustained at Level 2. The % of Level 1 passes has dropped, although more students were entered for the qualification.

Performance at Alternative Providers						
		2016	2017	2018	2019	2020
PVC (BTEC Construction)	Health & Safety Cert					5
	L1 Award		1	4	6	4
	L1 Certificate	6	5	1	4	4
	L1 Ext. Certificate	2		1	1	
	L1 Diploma		1			
Hair and Beauty	Entry Level Award					4

Number indicates how many students achieved each level.

- At Larches High school we strive to offer all students a bespoke curriculum pathway that enables them to access their chosen Post-16 career path
- Students leaving Larches High school go onto access Post 16 education, apprenticeships or employment

- To facilitate this we continue to grow our Vocational curriculum, which now includes Construction, Hair and Beauty and Mechanics
- We also provide students with dedicated careers advice and opportunities for work experience.
