Part A: Pupil premium strategy plan

Statement of intent

Improved relationships – Improved opportunities – Improved life chances

All members of staff and the governing body of Larches High School have an inclusive philosophy and believe passionately that all pupils are given knowledge, skills and opportunities to achieve and to reach their potential despite any barriers to learning.

Larches High School is committed to all learners and to meeting their pastoral, social and academic needs within a caring and nurturing environment so that they reintegrate successfully to mainstream education, specialist provision, further education or employment.

The key principles of this plan are to:

- Improve relationships so that all pupils engage with their learning and believe they can achieve
- Improve opportunities so that all pupils widen their experiences and achieve
- Improve life chances so that all pupils leave and are successful

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Literacy skills and Numeracy Skills
2	PPG pupils are often those who are most vulnerable and less likely to engage and experience a wide variety of activities which would strengthen their cultural capital
3	PP pupils are often those who are less likely to see careers advice and guidance which enables them to make informed post 16 choices
4	Attendance rates for pupils
5	Higher number of PP pupils are on EHCP / TAF, CIN / CP plans – this indicates that there are multiple barriers to success in education including attendance / digital poverty / attainment gaps / specific SEMH needs
6	Access to technology and digital awareness

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To ensure all targeted PP pupils achieve in line with non PP pupils in English	Tracking data indicates that PP pupil outcomes re in line with non PP pupils in English
To ensure all PP pupils are encouraged and engage with activities which promote wider learning opportunities	PP pupils will have opportunity to engage in a wide range of activities and opportunities beyond the classroom
Improved engagement with education	Improved rates of attendance and engagement with educational provision
Increased attendance rates for pupils eligible for PP	Improved rates of attendance in line with non PP pupils

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Academic year 2021-22

Information in relation to previous objectives

PP pupils to make expected progress in line with baseline assessments in Literacy and Numeracy: English Department continue to deliver Latin as part of the KS3 curriculum. Targeted interventions are delivered in Literacy and Numeracy in line with initial assessments completed at admissions.

To provide opportunities and experiences for pupils which broaden cultural capital: As Covid 19 restrictions were reduced across society additional opportunities were provided for pupils including extra curricular sporting fixtures – football, athletics, a rewards trip to the Climbing wall and preparing afternoon tea at a local community centre/

To offer pupils a variety of advice, guidance and support to enable them to make informed post 16 choices: CEIAG advice and opportunities continues to be delivered across the school. Support was given to Year 11 pupils individually in relation to post 16 progression and support with interviews. Vocational subject options continue to be offered to all pupil at KS4 with KS3 having taster sessions as part of the process of selecting their options.

The multiple external barriers to learning and education will be challenged and the PP pupils will be supported and kept safe: Breakfast club continues for all pupils with a greater uptake during the summer term. Year 11 pupils were all offered breakfast prior to their external examinations. Fair –Share – Larches gets Cooking programme continues to support vulnerable pupils and families. The school Safeguarding Team works proactively with external statutory and non statutory agencies to ensure all pupils are kept safe.

Increased attendance rates for PP pupils: Attendance continues to be impacted by Covid 19 pandemic. Larches has employed additional family support / attendance staff to support this objective in the next academic year.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Further information (optional)

Larches High School continues to lead the District 6 Multi Agency Support Panel which aims to act early to support vulnerable pupils at risk of Child Criminal Exploitation. This panel includes representatives from Primary and Secondary schools, Children's Social Care, Child and Family Well being service, YOT, MASSH, Lancashire AP, Lancashire Safeguarding team and Gateway Housing, Lancashire Police and VRN.

Ongoing liaison with the Lancashire VRN continues to work alongside Larches High School to keep pupils safe and reduce the impact of violence in our communities.

Larches is working alongside a research project – Do It Profiler – which screens pupils on entry in terms of neuro diversity – this then links into personalised interventions offered including ELSA.
