Telephone (01772) 792412

This information booklet is designed to give you some information about Safeguarding at Larches and how we will work with you to keep your child safe. The full policy is available on the school website and it was approved by Governors on October 3rd 2023 and will be reviewed in September 2024.

What is Safeguarding?

Safeguarding is our legal responsibility to keep all pupils safe and protected from harm.

It is:

- protecting children from harm
- Ensuring that children grow up in homes which are safe and provide effective care
- Taking action to enable all children to have the best outcomes
- Preventing impairment of children's mental and physical health or development

At Larches we are committed to this duty and place a high priority on safeguarding and will work with you to keep all pupils safe.

At Larches High School every member of staff has a responsibility to keep our pupils safe.

Safeguarding Team at Larches

At Larches the Designated Safeguarding Leads are: -

- ◆ Mrs C Mitchell (Head Teacher)
- ◆ Ms C Mclean (Family Support and Attendance Lead).

The back up designated Safeguarding Leads are

- ◆ Ms E Lumsden (Behaviour Manager)
- ◆ Mr J Barnish (Attendance Manager)

Our Safeguarding Team, made up of all the Designated Safeguarding Leads meet weekly to discuss every pupil and to ensure that appropriate support and monitoring is in place to keep them safe.

**Keeping children
safe is everyone's
responsibility**

Levels of Support available

At Larches we will work with your consent and in line with the Lancashire Continuum of Need.

Level 1 Universal support with no other partner agencies involved.

Level 2 is Universal Plus which means providing Early Help support as soon as the need emerges. The Larches Family Support Team lead on this area and will work closely with yourselves to provide any support that is required eg a child being drawn into anti-social behaviour; misusing drugs; housing concerns; financial worries. We will liaise with other agencies as we are required to ensure effective support is put in place.

An Early Help Assessment may also be completed if we feel your child has additional learning needs and will support any referral we make to Inclusion for statutory assessment for an Education, Health and Care Plan.

Level 3 Intensive Support will be provided by Child and Family Wellbeing service and school jointly.

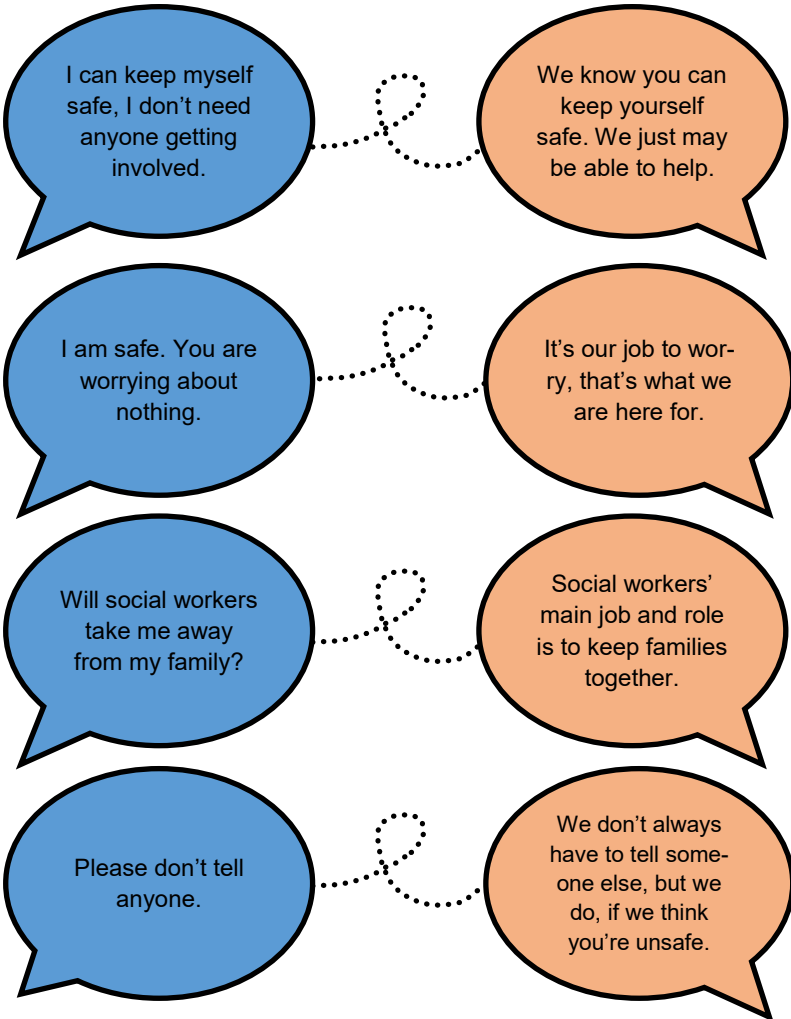

Level 4 Specialist Support will be provided by Children's Social Care in conjunction with school.

Prevent

Larches High School has a statutory duty under the Counter Terrorism and Security Act 2015 to prevent pupils from being drawn into terrorism.

The Prevent lead at school is Mrs C Mitchell (Headteacher).

Should you have any concerns in relation to this please contact her directly.

Will I get into trouble for telling people things?

You will not get into trouble, telling the truth is always the right thing to do.

I don't need a worker.

You may not need one, but they are lovely and can help you with things.

Will I have to move house/school?

We do not know all the outcomes now, so no point worrying about it.

I'm fine. I don't need any help.

You may not, but no harm in talking to someone to get some good advice.

I don't want CSC.

CSC don't always have to become involved.
